Fast delivery throughout Europe

Competitive prices, Original and OEM parts

Marconi Trading... ...let us introduce ourselves

International network

Marconi Trading is an independent part of a well-established Dutch and Polish auto- and truckmotive company. Our many years of experience and expertise in the automotive, bus, truck and trailer parts industry have allowed us to build an extensive international network. As a result, we can deliver bulk quantities of parts, quickly and at favourable prices.

Affordable and fast delivery

Through intensive contact with our suppliers, we are constantly aware of the latest developments. That means that we only supply top quality products. We buy in bulk, allowing us to negotiate competitive prices.

More than just truck and trailer parts

Marconi Trading started off with truck and trailer parts. By now, we have expanded into car, bus and OEM parts. We specialise in OEM parts from all leading suppliers.

In this brochure you will find the most common parts brands in our range. For some brands we give you a few parts examples. However, we can supply all your required parts, quickly and in large numbers. For more information, prices and orders please contact your region specialized representative!

Marconi Trading is an officially designated distributor for the following parts brands:
